

For 145 years, the Grange has been a part of our national landscape, serving the needs of communities across the country and giving a voice to rural America.

Grange Members serve their communities and cultivate life-long friendships.

Members say the lasting friendships, family environment, opportunities for community involvement, continuing personal growth and leadership development, as well as the ability to make a difference are all reasons they, and many of their family members, have joined the Grange.

Grange Members have fun!

Grange meetings, activities, and events always include a social aspect that has fellowship as a cornerstone. Members make friends in their community, their state, and across the nation that last a lifetime.

Grassroots Advocacy

The National Grange is a highly engaged rural and agricultural advocacy organization that is proud to be the voice of Rural America's communities across the United States. Our 145 year legacy of remaining non-partisan allows us to advocate on behalf of our membership by letting our member-driven policy be our guide.

When joining the National Grange, expect to be encouraged to engage with your local, state and national representatives on legislative and regulatory issues affecting your community. Each year we host a National Grange Legislative Fly-In, open to all members who wish to discuss issues of importance to the Grange with their elected Congressmembers. At the National Grange, we have a strong commitment to civil stewardship and celebrate the responsibilities of citizenship.

Recently, The Grange has been highly engaged with efforts in the following areas:

- Expanding affordable rural broadband
- Monitoring Farm Bill progress
- Improving rural healthcare/Medicare access
- And so much more

“Since 1867, Grange members have been building friendships that last lifetimes and span our entire nation.”
