

TAKE A NON-QUILTER UNDER YOUR WINGS

Marianne Fons

A number of years ago, when I first became involved in Quilts of Valor, it occurred to me that all the Quilts of Valor presented so far had been made by people who already knew how to quilt. I was convinced there were lots of ordinary Americans out there who would love to make and award a Quilt of Valor to a service member or veteran – If they only knew how to do it.

That's when the concept of "Under Our Wings" flashed into my mind. It seemed to me that if each avid quilter would simply, one-by-one, help a non-quilter make just one Quilt of Valor, we'd have a nationwide win-win situation on our hands. All of us who quilt know the therapeutic value of sewing. Via Under Our Wings, we could introduce this form of therapy to others, and in so doing create more Quilts of Valor.

Quilts of Valor ® Foundation

The National Grange has become a recognized partner in the mission of the Quilts of Valor® Foundation as an official Under Our Wings® program. This program allows Grange members to create quilts and award them to veterans in their communities or in the organization, and teach the art of quilting to novices and young people while completing this meaningful community service.

All quilts awarded should be reported to the National Lecturer so the information can be made official with the Quilts of Valor® Foundation. Labels are available through the National Lecturer to be sewn onto the quilt indicating the name of the recipient and Grange/member who made the quilt.

For more, contact National Lecturer Christine Hamp at 509.953.3533 or lecturer@nationalgrange.org or send mail to 16418 N. Birdie Road, Nine Mile Falls, WA 99026.
