SUPPORT GRANGE EFFORTS BY
BECOMING AN ASSOCIATE MEMBER

WHAT IS THE GRANGE?

Founded as a fraternal organization in 1867, the Grange strengthens individuals, families and communities through grassroots action, service, education, advocacy and agriculture awareness.

Each local Grange has the autonomy to solve problems and meet needs of their neighbors. Fairs, community forums, scholarships, low-cost dinners - the ways in which Granges positively impact their communities is endless. As an associate member, your support ensures the local Grange can continue its good work.

WHY ASSOCIATE MEMBERSHIP?

You love what the Grange in your area does, but fraternal membership isn't a good fit at this time. We get it. Sometimes life gets in the way of doing everything we wish we could.

Associate membership allows you to sleep well knowing you've secured a treasure in your hometown, all without adding another commitment to your time.

While you're always welcome at Grange meetings, Associate Members do not have voting rights and may not be able to enter certain contests or be eligible for certain awards. If you'd prefer to be more engaged, you can apply to become a fraternal member at any time.

"I love all the Grange does for our community, but I just don't have the time right now to be hands-on, so I'm hands-in by supporting through Associate Membership."

ENJOY MANY MEMBER BENEFITS

From discounts on office supplies, shipping, car insurance and prescriptions to updates about legislative priorities of the Grange, your membership will go far beyond helping your hometown.

Associate members may also take part in various leadership training and fellowship opportunities offered by the Grange at the local, regional, state and national levels. From an annual Washington DC Legislative Fly-In with in-person and online attendees to a summer camping experience every other year in various parts of the nation, the Grange meets various personal and professional needs of its members.

When you join, your local Grange will provide you with information on how to access benefit information and other opportunities available to you and your family.
