Dear Worthy President,

The National Grange will once again be offering bonding coverage to State, Pomona, and Community Granges in 2025 under the National Grange's policy with Main Street America Insurance. The National Grange Digest of Laws, Section 4.10.9, stipulates that all Granges, at their own expense, are to be bonded or insured for employee dishonesty with coverage to include at least the Secretary and Treasurer of each.

Attached is a 2025 Rate Schedule that lists the coverage amounts offered and corresponding premiums. **The premium rates for 2025 are the same as 2024.**

Also attached is the 2025 Frequently Asked Questions sheet as well as a fillable Questionnaire that is required for those Granges who choose \$50,000 or more in coverage.

Please distribute this information to the Pomona and Community Granges in your state. Should a Grange desire more or specific coverage for special needs, please let us know and we will provide the phone number for contacting Main Street America directly.

The deadline for Granges to be included in the bonding coverage for 2025 is December 1, 2024. A list of all participating Granges and payment must be received by the National Grange by December 1, 2024, to receive coverage for 2025.

Please provide a complete list of participating Granges that includes the type of Grange (Community, Pomona, State), the Grange number, Grange name, amount of coverage (minimum coverage is \$5,000), and amount of premium enclosed (minimum is \$53).

Your prompt attention is greatly appreciated. If you have any questions or require further information, please don't hesitate to contact me at champ@nationalgrange.org or (509) 953-3533

Fraternaly yours,

Christine E. Hamp, President
The National Grange
